

# The iTravel Group & iTravel Films

## Brief profile & Company Introduction

### Introduction

We are pleased to introduce you to iTravel Films through which we offer our extensive support for Photography and Filming projects across many remote and the unexplored destinations around the Indian Subcontinent. Operating for the last 11 years and clocking a total team experience of almost 30 years between us, we offer a one stop support for any Photography and Filming crew- large or small for all your requirements. We are please to list below all the services that we can offer pertaining to your projects across India, Sri Lanka, Nepal, Tibet. Having worked with multiple projects (National & International) ranging from Wildlife, Culture, People, Adventure & Festivals, we surely can be that strong pillar of support in the asian region.

Here are some of the many areas we can assist you with;

#### **Production Management**

As your fixer in India we offer complete production management for your shoots. We can either work collaboratively alongside your team or handle everything for you. Our local knowledge will prove incredibly valuable to you as you plan your production in India.

#### **Permits & Paperwork**

A crucial job for any film fixer in India is to acquire all the necessary film permits & permissions. We will provide you with an invitation letter and complete support and advice for your national permit application, then arrange all the necessary local permits and permissions for your shoot in India.

#### **Locations & Contributors**

We scout locations and source contributors throughout India. India has an amazing range of locations available. There are few places on Earth where you can shoot spectacular unspoiled deserts, mountains, jungles, rivers and beaches in one country but India has it all and with the weather and light to get the most from them.

#### **Equipment & Crew**

We have searched the film production centres of Mumbai, Delhi, Hyderabad, and Chennai to find suppliers with the most up-to-date and well maintained equipment. We employ highly experienced, well presented crew with a professional hard working attitude. All HODs and key members of the crew, will speak English to ensure communication is effective. All of our film fixers throughout India, have English as their first language, or are completely fluent.

#### **Travel, Accommodation, Catering**

The quality and efficiency of the travel and accommodation arrangements for your shoot in India will have a large impact on both the budget and success of the whole project. We will find you the best deals possible and make sure that your transport is reliable. An army marches on its stomach, and so does a film crew. Our clients have commented that our production catering is some of the best food they have eaten in India!

## **Research Work**

We provide actual, on-ground research to give you the real picture of the story you want to film and to help you find untold stories. We will find you perfect characters and locations to make your story nuanced and in-depth. Our insights into the social, cultural and historical aspects of the story will be invaluable to your film.

## **Broadcast Content Shot to Order**

If you don't have the time or budget available to travel to India send us a brief and we will shoot your footage to order. At short notice we can send a crew anywhere in India to shoot footage for your production. If you would rather receive selected takes, or a completely edited package, we can edit the footage we acquire and provide deliverables in the format you need to work with.
