

Jahawi Bertolli

Profile

Date of Birth: 5th December 1987

Nationality: Kenyan and Italian

Experience

FOUNDER & CEO, AFRICA UNDERWATER, NAIROBI KENYA : 2012 - PRESENT

Africa Underwater is the expansion of Dew Drop Productions now focusing in the making of natural history productions with a focus on the underwater world, environmental issues and educational films. Our first short documentary for the Lamu Marine Conservation Trust was screened at the Smithsonian Institutes Folklore Festival 2014, featured in Africa Geographic and selected videos and photos are on display in the Museum Of Natural History, Washington DC. The latest project, completed for CORDIO East Africa, on Locally Managed Marine Areas, was premiered at the United Nations World Oceans Conference in the USA in 2017. Although based in Kenya, projects have been completed in the Galapagos Islands, Mauritius, Burma and Thailand. Clients have included the European Union, IUCN-ESARO, the Professional Association of Diving Instructors (PADI), The Lamu Marine Conservation Trust, CORDIO East Africa, Royal African Safaris, Seacology and Oceans Below.

FILMING CONSULTANT & ADVISOR, BLUE OCEANS TV, MONACO: 2016 - PRESENT

Filming Consultant, marine advisor and underwater filming trainer on the newly started online marine educational movement.

FILMING COORDINATOR & UNDERWATER VIDEOGRAPHER, OCEANS BELOW, KOH TAO, THAILAND : 2012 - 2014

Managed, coordinated and filmed various aspects of film productions including the recent international PADI campaigns. Organised the videographers for dive shops and taught the Open Water Video & Documentary Internships for students who had completed their BSAC Professional Videographer Course. Filmed and edited open water videos both scuba diving and free diving.
