- I'm happy to meet so you can determine if I'm suitable to help your business

### EXPERIENCE

#### **THE EDGE PICTURE COMPANY**

20-22 Shelton Street, WC2  
E: becky@edgepicture.com  
T: 020 7836 6262

Position: Production Assistant/Runner  
2022 (currently working for the Edge)

*I was a go-fer and helped on film shoots, castings, office tasks, collecting props and creating storyboards. Dealt with numerous clients and actors on set. I also handled the admin side of production with creating and sending off PO's. As well as creating call sheets for shoots, dealing with budgets for projects and in general helping with the prep and production of shoots. When I attend shoots, I would help set up, manage equipment and attend to the actors and client's needs.*

*I was recently on a huge project which last over 10 months where we filmed in multiple countries such as Saudi Arabia, Italy, Belgium and the Netherlands. The team I was a part of was small, but we brought in a various number of freelancers such as DOP's, Sound Recordist, Camera Assistants and many more.*

#### **THE EDGE PICTURE COMPANY**

20-22 Shelton Street, WC2  
E: becky@edgepicture.com  
T: 020 7836 6262

Position: Runner  
2015 / 2020-2021

*I had started at the edge back in 2015 as work experience. I then started again full time back in 2020 to 2021. But returned to university at the end of 2021.*

### **Brighton University**

*I attended Brighton University from 2018-2022 where I did Mathematics and I achieved a 2:1  
I took modules in:*

- Statistics (Using coding software such as R, SAS and VBA)
- Complex Analysis
- Group Theory
- Graph Theory
- Abstract Algebra
- Operational Research
- Advance Calculus

*And quite a few more to name. I did my dissertation/research project on Ordinal Numbers and how to use them to construct a pathway to infinity. I had spent the whole of my 3<sup>rd</sup> year doing individual research and having 1-on-1 session with my assigned tutor. At the end I had to present a 3,500-word mathematical paper as well as viva.*

### **TA - Vardean Secondary School**

*During my time at Brighton University, I attended a secondary school where I was a teaching assistant. i would help in any classrooms I could where I would aid any students who needed help with classwork.*

### **Weezy Position:**

E-bike courier

May 2020 – January 2021

*I was a e-bike courier who would work inside a supermarket warehouse and deliver peoples online shopping*
